COLOR/MONOCHROME MULTIFUNCTION PRODUCT FOR A4/A3 FORMAT

ENFORCE MULTIFUNCTIONAL POWER AND MOBILITY OFFICE

- . High image quality with 1,200dpi printing resolution.
- Fast first copy time (mono: 4.8 seconds; color: 5.9 seconds) *.
- . 320GB hard disk capacity and 4.5GB RAM to meet heavy duty tasks without additional hard drive.
- Support A6 original scanning from Document Processor with dual scan speed up to 220/220 ipm A4 Mono/Color.
- Support size 12" x 18" (304mm x 457mm) & 300g/m² paper.
- Support Banner Print and Scan.

*For TASKalfa 8052ci

Born to be Extraordinary

KYOCERA Document Solutions is Extraordinary for

- Broad Range of Multifunction Devices and Printers
- Optimized Total Cost of Ownership (TCO)
- Reliable with Long Life Drum and Parts
- New and Advanced Technology

KYOCERA Document Solutions strives to be a company that contributes to the society and demonstrates "Customer First" principle by providing customers with maximum value to increase their satisfaction. By adhering to the mission of producing document management devices that take balance between "Economy" and "Ecology", KYOCERA Document Solutions succeeds to develop document management devices with advanced technologies which help customers to optimize office productivity and efficiency at a low total cost of ownership and, at the same time, improving environmental performance.

Advanced Functionality

Designed with wide screen touch panel and simple operation, these multi-faceted devices offer impressive speed, large output capacity and bring high quality color print for business. They are ideal for handling day-to-day document and streamlining workflow with sophiscated KYOCERA business applications.

Superior Technology

Superior Performance in COPY/PRINT/SCAN/FAX

- Test Copy: Reduce miscopy when copying large volume by using the Test Copy mode.
- Duplex Preview: Display both front and back sides before printing (Copy/Box Print function).
- Skip Blank Page: Blank page is skipped during making scans/copies to save unnecessary cost.
- Dedicated Preset Copy Mode for Special Original Media: Newspaper Copy, Technical Drawing Copy, ID Copy, Highlighter Copy (reproduce fluorescent colors clearly).

- Prevent Bleed-thru: Remove unwanted background when copying or scanning printed double-sized thin paper (e.g. newspaper, NCR paper, and magazine).
- Carbon Copy: Print an additional copy or copies of a document from a different media source or using a different media type.
- Banner Send & Print: Scan and produce banner with various paper weight in-house anytime in need (One-sided only).

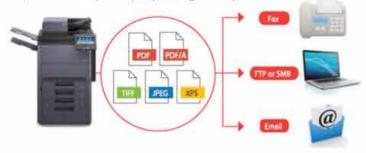

- Tandem Print: Print same job quickly with two MFPs (same models) simultaneously.
- Customize Scan Split: Scan by split at specified page and allow send all scan files via one email or send files separately by emails.

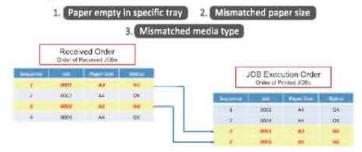

- USB Scan to/Direct Print: Scan to or print directly from USB Memory in PDF, PDF/A, TIFF, JPEG or XPS format.
- Scanned Image File Size Check: Check the actual scanned document size does not exceed limit before actual sending to e-mail.
- FTP/SMB/Email/Fax Multi-Sending: Send document to different destinations (email addresses, folders, etc.) in a single scan operation.

 Simple Fax Forwarding: Forward any incoming fax to other destinations by Email, SMB or FTP (Optional).

- I-FAX Sending (Optional): Send and receive i-FAX without the mail service by installing Direct SMTP function.
- Job Skip: Automatically prioritize the error print job to avoid machine come to a halt in case of

 Job Finish Notice: Send email notification to specified user when a copy/scan job is completed.

Maximize Efficiency

- Intuitive natvigation: Excellent clarity 9 inch color touch panel display with swivel type operability similar to smart
 phone and tablet and tiltable from 15 degree to 90 degree.
- Convenience to use Keypad: With on screen virtual numeric keypad (hardware keypad is optional), users can type
 in with ease.
- Hame Screen: All commonly used functions and applications are found on default Home Screen. The Home Screen
 can be customized easily to meet different use (or Group User) needs for immediate access to commonly used
 functions.

- · Printer Driver's Quick Print Tab: Create and save frequently used custom profiles as graphic icons to allow programming of complex jobs in one click.
- Custom Box: Ease-of-use Custom Box provides long term job storage at device, allowing users to securely print and store jobs on the device and output them when required.

Superior Quality

- Powerful color performance*
- Vibrant color* with 1,200 x 1,200 dpl print resolution.
- Contrast selection with copy/scan.
- Multiple Image Adjustment Tools for optimal output:
 - Color Optimizer at KYOCLRA XX Oriver*: Allow users to adjust the pixels near the color value or color space of defined areas instead of the entire image by selecting 2 from 3 parameters (Hue, Light, Saturation) and add up to 10 colors in each adjustment settings.
 - One-Touch Color Image Adjustment* Total 9 photo adjustment modes to select optimal settings for photo image (Portrait; Blue Scenery; Green Scenery; Vivid; Soft; Sharp; Smooth; Light; Heavy).
 - Print Gray with Black Toner Improve text recognition and decreases color shadowing to reproduce accurate grayscale image.

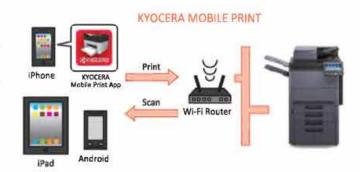

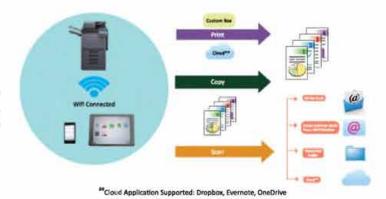

Transform Business with KYOCERA Solutions

KYOCERA Mobile Print: An app-based solution that enables users to simply
and conveniently print documents, web pages, and images on demand from
virtually anywhere, on their Apple and Android smartphone and tablet devices
to select KYOCERA MFPs and printers. Users can also scan files and images
from same MFPs to their mobile devices. Our devices also support AirPrint for
iPhone and iPad.

 KYOCERA MyPanel: Use smartphone or tablet to connect a compatible networked KYOCERA printing device on your local Wi-Fi network wirelessly.
 Users can perform COPY/PRINT/SCAN from Custom Box or Cloud## by mobile devices with personalize settings.

- KYOCERA Cloud Connect (Optional): Retrieve and print files in Google Drive
 and Evernote[®], a cloud service provider, directly from any KYOCERA HyPASenabled MFPs. Users can even upload scanned files directly to Google Drive
 and Evernote[®] directly from the MFP, without going through a computer...
- Support WiFi Direct: Support IB-35 Wireless LAN (Optional), makes print/scan via AirPrint/Google Cloud Print/Mopria/KYOCERA Mobile Print/KYOCERA MyPanel much easier.

Control with Ease

- Password Protection Setting: Allow administrator to set Password Policy to limit user access to designated capacity.
- . With the aid of Network Authentication, IT Department can manage user authentication easily by incorporating with centralized Authentication Server
- · Private Print: Release print job at the device by entering a preset four-digit access code when making a print at KYOCERA KX Driver, PASSWORD ****** (NTLM, Kerberos, KYOCERA Net Manager*). Optional
- FAX Memory Overwrite (Optional): Erase FAX memory after sending or receiving for confidentiality.
- Security Watermark: Distinguish original from copies and provides protection for sensitive document against duplication.
- . M-Files (Optional): Manage all information e.g. documents, projects and always find what you need, no matter what system you are using.
- business processes etc and adds intelligence by combining it with information from other systems (like SharePoint, Salesforces and SAP). This ensures you

. KYOCERA Data Security Kit (Optional): Encrypt data before storing in the hard drive and automatically overwrite all data stored in the hard drive when the data becomes unnecessary.

Eco-Conscious

Design for energy savings

- Fast warm up: With the new IH fuser, the warm up time is shorter and power consumption is less.
- Weekly Timer: Allow administrator to preset the machine on and off time to maximize power savings.
- · EcoPrint: Flexible EcoPrint setting to consume less energy and toner.
- Energy Saver: 1w or less power consumption at Energy Saver Mode.

Protect the environment

- Leading Long-life Mega Surface Amorphous Silicon (a-Si) Drum, developer and replacement parts.
- · Parts for Recycling.
- Non-toxic Materials.
- Quiet operation design for a comfortable Working Environment.

Law on Promoting Green Purchasing (Japan)

KYOCERA Document Solutions has been actively promoting the acquisition of various environment labels, aiming to provide products that are safe and comfortable for our customers to use and have minimal environmental impact.

Instant Monitoring

Smart utilities for managed print and minimize related device management costs.

• KYOCERA Command Center RX: By using a web brower, the authorized administrator can access the built-in KYOCERA Command Center RX and check the operation status of the device, toner level, paper availability, as well as change settings related to security, network printing and advanced network setting etc.

 KYOCERA Net Viewer: A comprehensive network management tool used to monitor, maintain, and update up to 100 network printing devices locally and remotely. Through KYOCERA Net Viewer, administrators can simply install and update firmware on all KYOCERA connected devices while easily monitoring printed black/color pages, device configuration, accounting, toner usage, and alerts. By implementing KYOCERA Net Viewer, the manpower required to monitor connected devices is greatly reduced.

KYOCERA Net Manager (Optional): Protect confidential data, manage & control the overall output (copy/print/scan) and get detailed reports. Users can keep an overview of personal printing jobs with web browser. It greatly simplifies scanning processes as it automatically displays a set of personalized options.

By adding the Card Authetication Kit (Optional) for KYOCERA Net Manager, you are able to swipe ID Card to get print document directly. User administrator can also set the IC Cards to allow quick and secure access with pre-defined user restrictions such as color output restrictions and output quota.
